Survival Benefit:

Cash Bonus (CB): At the end of each Policy year, the non-guaranteed CB (if any) shall be payable. You can opt to take the CB in monthly instalments in which case the monthly CB will be paid-out at the end of every month, starting from the 1st month of your Policy. Also, you will have an option to Accumulate the CB declared in the Policy instead of receiving the pay-outs and earn Investment Return¹ on the Accumulated Cash Bonus (ACB).

Guaranteed Monthly Income (GMI): At the end of the Premium Payment Term (PPT), GMI shall be payable every month, till the end of the Policy Term. The first instalment of GMI will be paid at the end of PPT. You can opt to take GMI as annual instalments in which case the GMI will be paid-out to you at the end of each Policy year. You also have an option to Accumulate Guaranteed Monthly Income (AGMI) in the Policy, instead of receiving the pay-outs and earn Investment Return¹ on the AGMI.

Cash Value (CV): If you have accumulated the CB &/or GMI, instead of receiving it as payouts, you will be entitled for Cash Value which will be total of ACB &/or AGMI including investment return¹ thereon. Anytime during the Policy Term, you will have the option to withdraw the CV (partially or fully).

¹Investment return on ACB and AGMI will be declared by the company every year

Maturity Benefit:

Provided the Policy is in-force and the Life Assured is alive, as on the Maturity date, Maturity Booster (50% of Sum Assured) plus Cash Value (if not fully withdrawn) plus Terminal Bonus (if any) will be paid.

Death Benefit:

If all due premiums are paid, then in case of unfortunate death of the life assured during the policy term,

- i) 105% of Cash Value (if not fully withdrawn) plus Terminal Bonus (if any) will be paid immediately as lump-sum and
- ii) Sum Assured on Death[#] will be paid as monthly income, over a period equal to outstanding Policy Term or 12 years, whichever is lower, and the 1st installment will start from date of death. However, your nominee can opt to take the death benefit in lumpsum, at the time of intimation of death.

The Policy will terminate on the payment of full death benefit.

If you have opted for Joint Life Cover% at inception of the Policy, both you (primary life assured) and your spouse will have independent life cover (Sum Assured). Your Spouse's Sum Assured can range from 50% to 100% of your Sum Assured.

The death benefit in case of Joint Life Cover will be payable as below:

- **Death of Primary Life Assured** - If all due Premiums are paid, then, in case of unfortunate death during the Policy term, (i) 105% of Cash Value (if not fully withdrawn) plus Terminal Bonus (if any) will be paid immediately as lumpsum and (ii) Sum Assured on Death[#] will be paid as monthly income[@], over a period equal to outstanding Policy Term or 12 years, whichever is lower, and the 1st installment will be due from date of death. The risk cover with respect to the Primary Life Assured will terminate automatically on the date of death. However, the Policy will continue with the life cover on the Spouse and the future Premiums will be paid by the Company
- **Death of Spouse** - If all due premiums are paid, then in case of unfortunate death during the policy term, Sum Assured will be paid as monthly income[@], over a period equal to outstanding Policy Term or 12 years, whichever is lower, and the 1st installment will start from date of death. The risk cover with respect to the spouse will terminate automatically on the date of death. However, the Policy will continue on the life of primary life assured, subject to payment of all due future premiums. In case of simultaneous death of Primary Life Assured and Spouse, the Death Benefit as mentioned above will be paid and the policy will be terminated

[@] The Primary Life Assured or the nominee can opt to take the Sum Assured/Sum Assured on Death[#] as lump-sum instead of monthly income, at the time of intimation of death.

^{*} Primary Life Assured will have the option to discontinue the life cover (Sum Assured) on the spouse at any policy anniversary, during the PPT. The premium under the policy will be revised accordingly. Life Assured will not have an option to include the spouse again once he/she has exited the Policy

[#] Sum Assured on Death is higher of the sum assured or 10 times of Annualized Premium*, further the death benefit plus Cash Bonus paid out will not be less than 105% of Total Premiums* paid

^{*}Annualized Premium is exclusive of extra premium, rider premium and GST/any other applicable tax levied, subject to changes in tax laws, if any. Total premium paid is the total of all regular premiums paid exclusive of extra premium, rider premium and GST/any other applicable tax levied, subject to changes in tax laws, if any. Both, the Annualized Premium and the Total Premiums paid, will be w.r.t. the life assured or primary life assured (in a joint life policy).

In Joint Life, there is no Maturity or Survival Benefit available to Spouse

Flexibilities

Option to take Death Benefit in a Lump sum:

At the time of intimation of death, the Primary Life Assured (in case of Joint Life) or the nominee, as applicable will have the option to take the monthly instalments with respect to the Sum Assured on Death or Sum Assured (in the case of death of the spouse) in a lump-sum.

The lump-sum payable will be the discounted value of the monthly instalments at an interest rate which will be benchmarked to the G-Sec based on the information from Financial Benchmark India Private Ltd (FBIL). It will be equal to [10-year G-Sec yield Plus 1%] rounded-up to the next full interest rate. The interest rate will be reviewed on an annual basis. Any change in bases used for determination of applicable interest rate will be subject to prior approval of IRDAI.

Option to take Maturity Benefit in Installments:

You will have an option to take Maturity Benefit in monthly or yearly installments over a period of 5, 10, 15 or 20 years, these installments for the chosen period shall be arrived at based on the yields of the respective G-Sec less a spread of 25 basis points. You can discontinue this option, even after the commencement of the instalments and receive the discounted value of the

future installments as a lumpsum

Alteration of premium payment mode:

You will have an option to change the prevailing premium payment frequency under your policy at any policy anniversary, subject to the availability of the frequency and subject to the minimum modal premiums applicable under the plan. The premium payment modes available are yearly, half yearly, quarterly and monthly. The quarterly and monthly mode will be allowed only under the salary deduction scheme and ECS.

The premium for frequencies other than annual is given by the annual premium multiplied with the frequency factor. The factors are:

Premium frequency	Monthly	Quarterly	Half-yearly	Yearly
Frequency Factor (freq)	0.09	0.26	0.51	1.00

Non-Forfeiture Benefits

You are always advised to pay all due premiums by the due date to continue enjoying the full benefits of the Policy. In case premiums are not paid during the Policy Term, the benefits of the Policy can be explained as below:

Grace Period:

You get a Grace Period of 15 days for monthly frequency of premium payment and 30 days for other frequencies to pay the premium without any penalty. The Policy will be in-force with the risk cover during the Grace Period without any interruption and in case the due premium is not received before the end of Grace Period, the Policy will lapse or become paid-up as mentioned in below sections.

Lapse:

If you have not paid at least 2 full Policy Years premiums, the Policy will immediately & automatically lapse at the expiry of the Grace Period, and no benefit other than Accumulated Cash Bonus if any will be payable under the Policy. The Accumulated Cash Bonus if any, will be paid out at the end of Grace Period.

Paid-Up:

- i. If you have paid at least 2 full Policy Years premiums and not paid the subsequent premiums, then the Policy will be immediately & automatically converted to a paid-up Policy at the expiry of the Grace Period and the Sum Assured, Sum Assured on Death, Maturity Booster and GMIs under the Policy will be automatically reduced, respectively to the Paid-up Sum Assured, Paid-up Sum Assured on Death, Paid-up Maturity Booster and Paid-up GMIs, by a factor equal to the proportion of the number of premiums paid to the total number of premiums payable under the Policy.
- ii. A Paid-up Policy will not be eligible for any future Cash Bonus. However, it will be eligible for investment return, if there is a Cash Value available under the Policy
- iii. For spouse, the Policy will immediately & automatically lapse at the expiry of the grace period and no benefit will be payable with respect to spouse
- iv. The amount of Maturity Benefit in a Paid-up Policy will be Paid-up Maturity Booster plus Terminal Bonus, if any, plus Cash Value (if not fully withdrawn), shall be payable as the Maturity Benefit

Surrender:

- i. You may surrender your Policy anytime, provided at least 2 full Policy Years premiums have been paid
- ii. The Surrender Benefit payable will be higher of Guaranteed Surrender Value (GSV) or the Special Surrender Value (SSV)
- iii. There is no Surrender Benefit available with respect to the spouse cover in a Joint Life

Revival:

You can revive a Policy (which has lapsed or has become paid-up) or a lapsed spouse cover, subject to following conditions

- i. The application for revival is made within five (5) years from the due date of the first unpaid premium
- ii. The arrears of premiums together with interest, at such rate as the company may decide from time to time along with applicable taxes are paid. The current applicable revival interest is 9% p.a. compounded half- yearly
- iii. The Company may revive or refuse to revive, based on the prevailing board approved underwriting guidelines. If the revival is refused based on the board approved underwriting guidelines, the Company will refund the amount deposited for the purposes of revival. If the primary life in a joint life policy is uninsurable at revival, then, the spouse cover alone cannot be revived.
- iv. On revival
 - a. The Sum Assured and Sum Assured on Death (with respect to the Single Life or both the Joint Lives, as the case may be) which prevailed before the date of latest lapse/paid-up will be reinstated
 - b. All Survival Benefits, if any, due during the lapse/paid-up period will be paid-out to you.
 - c. If the CB and/or GMI are being accumulated in the policy, any unattached investment return will be added to the Accumulated CB and/or GMI respectively
 - d. Any difference between the full GMI/s payable and the paid-up GMI/s paid (till date) will be paid out immediately

Policy Loan

Provided the policy has acquired surrender benefit, during the policy term, you will have the option to take policy loan, subject to a maximum limit of 80% of the surrender benefit less any Cash Value available under the policy. Loan interest rate applicable for the loan will be as decided by the company from time-to-time. The current loan rate of interest is 9% p.a. compounding half-yearly.

Note: The loan interest rate will be benchmarked to the G-Sec based on the information from Financial Benchmark India Private Ltd (FBIL). It will be equal to [10-year G-Sec yield PLUS 2%] rounded-up to the next full interest rate. The loan interest rate will be reviewed on an annual basis. Any change in bases used for determination of applicable interest rate will be subject to prior approval of IRDAI.

Foreclosure

If at any time (during the policy term), the outstanding policy loan and interest exceeds the surrender benefit, then, the company will inform you for payment of interest-due and/or full/part repayment with the notice period of 30-days and, at the end of notice period, the policy will be foreclosed and any surrender value will be adjusted towards the outstanding loan plus interest. If, under a paid-up policy, the policy loan plus interest is not paid, in full or partially, the Policy will be foreclosed immediately and automatically and no further benefit will be payable under the Policy. However, in case of an in-force policy, the policy will continue.
