Loan

You may avail loan under your policy, provided that your policy has acquired a surrender benefit. Loan is available during the policy term, but not during the ELC Period (if chosen). The maximum loan amount granted (cumulatively) shall be up to 70% of the surrender benefit available under your policy as on date of the loan request being considered. Loan interest rate shall be compounding half-yearly, with applicable rates determined by the Company from time-to-time. The current loan rate of interest is 9% p.a. compounding half-yearly

On death, surrender or maturity, the outstanding policy loan plus interest, as on the date of death/ surrender /maturity, will be deducted from the death/ surrender /Guaranteed Maturity Benefit payable. In Variant 2 – Income Benefit, each due GMI/ Paid—up GMI will be adjusted against any loan outstanding at that time.

Note: The loan interest rate will be benchmarked to the G-Sec based on the information from Financial Benchmark India Private Ltd (FBIL). It will be equal to [10-year G-Sec yield PLUS 2%] rounded-up to the next full interest rate. The loan interest rate will be reviewed on an annual basis. Any change in bases used for determination of applicable interest rate will be subject to prior approval of IRDAI.

Alteration of Premium Paying Frequency

You will have the option to change the prevailing premium payment frequency under this policy at any policy anniversary, subject to the availability of the frequency and subject to the minimum modal premiums applicable under product then. The frequency factors are:

Non-payment of Premiums

If you have not paid:

• First 2 years' premium

Then, your policy will immediately and automatically lapse at the expiry of the grace period and no benefit will be payable under the policy.

If you have paid at least

- First 2 years' premium, and subsequent premiums have not been paid,
 - Your policy will be immediately and automatically converted to a paid-up policy and the sum assured & sum assured on death & the GMIs under the policy will be automatically reduced, respectively, to the paid-up sum assured, paid-up sum assured on death & paid-up GMIs arrived at by multiplying the sum assured, sum assured on death & GMI, by a factor equal to the proportion of the number of premiums paid to the total number of premiums payable under the policy. The GMIs payable in a paid-up policy will be the paid-up GMI.
 - 2. On death of the life assured in the paid-up policy
 - i. During the policy term: The paid-up sum assured on death will be paid and the policy will terminate immediately for both variants (Lump Sum Benefit and Income Benefit).
 - ii. During Payout period under Income Benefit where ELC is not opted for
 - a. The paid-up GMI will be paid and the policy will terminate after the payment of last paid-up GMI
 - iii. During the ELC Period:
 - a. For Lump sum Benefit: The paid-up sum assured on death will be paid and policy will terminate immediately; and,
 - b. For Income Benefit: The paid-up sum assured on death will be paid, the risk cover will terminate immediately, and the policy will terminate after the payment of last paid-up GMI.
 - 3. The Guaranteed Maturity Benefit in the paid-up policy will be as detailed in the Guaranteed Maturity Benefit section.
- You may revive your paid-up policy during the revival period of five (5) years from the due date of first unpaid premium, subject to the revival conditions under the policy.

Revival

You can revive your lapsed or paid-up policy, subject to the following conditions;

- The application for revival is made within five (5) years from the due date of the first unpaid premium, before the Maturity Date.
- ii) The arrears of premiums together with interest, at such rate as the company may decide from time to time along with applicable taxes are paid. The current applicable revival interest is 9% p.a. compounded half- yearly.
- iii) You furnish, at your own expense, satisfactory evidence of health of the life assured and continuity of insurability;
- iv) The revival of the policy may be on terms different from those applicable to the policy before it lapsed/became paid-up, based on prevailing board approved underwriting guidelines.
- v) The revival will take effect only on it being specifically communicated by the Company to you.
- vi) The Company may revive or refuse to revive the policy, based on the prevailing board approved underwriting guidelines. If the policy is refused revival based on the board approved underwriting guidelines, the Company will refund the amount deposited for the purposes of revival of the policy.
- vii) On revival, sum assured on death, sum assured on maturity, GE percentage and/or GMI percentage under the Policy which prevailed before the date of latest lapse/paid-up will be reinstated.

Note: The revival interest rate will be benchmarked to the G-Sec based on the information from Financial Benchmark India Private Ltd (FBIL). It will be equal to [10-year G-Sec yield PLUS 2%] rounded-up to the next full interest rate. The revival interest rate will be reviewed on an annual basis. Any change in bases used for determination of applicable interest rate will be subject to prior approval of IRDAI.

Foreclosure

If you have taken loan under the Policy and the Policy is paid-up and if at any time the loan outstanding plus interest-on-loan approaches the Surrender Benefit available then under the Policy, the company will inform you of the same, for the payment of interest – due and / or full / part repayment with the notice period of 30 days post which the Policy will be immediately and automatically foreclosed by adjusting the Surrender Benefit to the outstanding loan plus interest-on-loan. However if your policy is in-force, it will continue.
