#### Terms and Conditions Apply

- Brokerage rates: The client will be charged special brokerage rates as specified in the Value Pack scheme sheet as per the plan chosen by him/her.
- Upfront fees will have to be paid by the client at the time of account opening or scheme activation. The scheme will commence only after realization of payment.
- Daily brokerage reversal: The daily brokerage generated by the customer across all the segments will be refunded to client's ledger on a daily basis up to the extent of the scheme amount on a cumulative basis.
- Expiry & Auto-renewal: An active Value Pack scheme will be considered as "expired" once the customer has generated a cumulative brokerage equal to or more than the scheme amount from the date of activation of Value pack. On expiry, the ongoing Value Pack scheme will be auto-renewed with an auto-debit charged to the ledger.
- Discontinuation of an existing plan: If the client cancels the scheme before expiry, the brokerage generated from the date of scheme activation till the date of cancellation will be calculated as per the default plan mentioned above and the remaining amount will be refunded to the client after charging a penalty of Rs. 500. No penalty will be charged if the customer discontinues an existing scheme and upgrades to a scheme of higher amount within 15 working days.
